We should not be able to do what we done without generous lady, Ms Ramsey Pavitt, who offered home for Spirit in past and future.

Lot of people and families being involved in Spirit's growth, with contributions in work, time, goods of money...Each member of Board did the best , but Ms Kate White gave huge contribution in voluntary work and all kind of support from start , in daily work , with papers, horses and kiddos...Ms Hedy Glen, faithful volunteer and friend who followed Spirit in all periods and helped so much. Special friends, Ms Lynne Lanier, Whitney Fitzgerald, Kussman family, Tina Cobb, Flo Dougerthy, Colleen Zanin, Louise Peterson, Courtney King, Lisa Delsordi...and much more great people...

Spirit touched numerous lives of our riders and their families.

Lessons has been conducted by Kate White Davorka Suvak, NARHA Certified Therapeutic Riding Instructors at Great Falls facility and in Middleburg , Golden Dreams program.

Whole program was managed and has been run by thousands of voluntary hours in all areas – from barn management, paperwork, fundraising, marketing, to lesson assistance and maintenance work at facility...

No one rider has been denied because of lack of finances. In this moment, two riders ride without any of charge, as part of our program activity.

In past months we worked with great horses:

- Spirit, since end of December 2006 (40 yo pony mare, purchased by Davorka Suvak for start of Spirit Program)
- Louie, since January until July 2007 (19 yo Morgan gelding, donated by Purrsefield Farm, Hannah Salazar, agent, kept at GD farm , given back to owner)
- Angel, since May until July 2007 (9 yo TB mare, donated by Ms Becky Trisdale, given back as pregnant)
- Pine Oaks Infinity, since August 2007 (15 yo Morgan mare, donated by Ms Courtney King)

SPIRIT OPEN EQUESTRIAN PROGRAM INC. became visible in community as successful and promising program through:

- daily management and program activity at field
- high level of social skills of all of our activists
- popular web site and Matt's blog
- presentation at Middleburg area, June 2007
- successful competition and presentation our rider Matt Trot at VADA NOVA dressage competition at Morven Park, June 2007
- publications at Middleburg area which noted quality of our work , July 2007
- Fundraising Yard Sale, August 2007

All that has been formally done as Davorka Suvak project, which served to start up Spirit Open Equestrian Program, Inc.

Now it is a time for us to step forward to desired level of Spirit's program, to serve more riders, to hire more instructors, to improve facility... to grow and show what is possible to be done for people with disability, using love and horses ...
